### ***Eurolux - Lighting your way***

As one of South Africa's leading importers and distributors of innovative lighting from around the globe, Eurolux prides itself on providing clients with world-class quality and variety.

From humble beginnings in Cape Town, Eurolux has grown to become an industry trailblazer with a nationwide footprint, including links into Africa and the Middle East. Passionate about innovation and dedicated to value, they offer consumers a wide range of lamps, luminaires and electrical accessories that are ideally suited to meet the needs of the South African and greater African markets.

Distributors and the general public are encouraged to view Eurolux's extensive range of products at their two lifestyle showrooms in Cape Town and Johannesburg. An array of international brands such as Eglo, SG, Lutech, Fumagalli, Nightwatcher, ELT and Aeon Lighting Technology (ALT) are all showcased in settings that simulate environments where light fixtures are typically placed, eliminating the guesswork from the buying process.

But they haven't stopped there. Their passion for global lighting trends inspired them to introduce Euro Nouveau, a unique showroom concept. The luxurious space is located at Eurolux's head office in Cape Town and boasts the creations of some of Europe's finest luxury lighting designers and manufacturers.

Luminaires from the likes of Fontana Arte, Slamp, Bomma, Manooi and Inarchi, as well as several other top brands, are all showcased in a bespoke setting to entice and inspire potential buyers. Local design is also represented in the space with the work of renowned South African designer, Carrol Boyes, included in the mix. Carefully considered and artfully curated, the Euro Nouveau collection caters to a variety of tastes and aesthetics, meaning there is something for everyone to love.

Be spoiled for choice: enter a gateway to a world of lighting.
